

Personal Sustainability Invitation – June 16th 7:00 PM – 8:30 PM

The June 2nd workshop filled within three days so Financial Service Group is hosting another workshop presented by Michael Haubrich to discuss **Personal Sustainability in a Continuous Change World of Uncertainty** on Tuesday, June 16, from 7:00 pm to 8:30 pm at our office.

An evening spent developing a better understanding of “Personal Sustainability” will help support you during this historic transition to what will be a new financial landscape. Here’s a sample of what you’ll experience:

- Where We are Now and How We Got Here--A detailed look at the current economic, debt and retirement crises and what precipitated them.
- Clear Messages from the Mixed Up Market--Hear three very distinct “lessons” the market is trying to share.
- Personal Sustainability--What it means and aspects of our lives it pertains to.

This workshop has been well received by clients and non-clients who attended past sessions. We encourage you to pass this invitation on to others who you might think benefit from attending the presentation.

The session is limited to twelve participants so please let us know via e-mail or call if you would like to attend by Friday, June 5. You can e-mail your response directly to Joy at joy@toyourwealth.com or call her at (262) 554-4500 x104.
